

Tune: Jesus I Come
(#479 Songs & Hymns of Life)

1. Out of the old and into the new,
Jesus, I come! Jesus, I come!
Into the inward reality,
Jesus, I come to Thee!
Out of just knowing God outwardly,
Into the joy of Christ inwardly.
Striving no more, but with the supply
Jesus, I come to Thee!
2. Not for myself, but for God's desire,
Jesus, I come! Jesus, I come!
Not for more blessings do I inquire,
Jesus, I come to Thee!
No more improving self for a show,
More transformation, Jesus to know.
Being conformed by God's will in me,
Just, for expressing Thee!
3. Out of religion, there is much grace!
Something is new! Something in You!
Don't be content, traditions to do!
Jesus is new in you!
Give praise to God and bless all the saints,
Listen and speak, you'll flow out His grace.
Out of the oldness, into the new,
Jesus, I come to You.
