2. O Lord may I cooperate  
I sense You have a lack.  
Perhaps some souls Your longing for?  
From them I'd hold not back.

3. O Lord may I cooperate  
This is my earnest prayer;  
Why is it that I hesitate  
To care Lord with Your care?

4. O Lord may I cooperate  
Your life I would not grieve  
You're God of the whole universe,  
Yet You depend on me.

5. O Lord may I cooperate  
For You to be able,  
To accomplish all that You desire,  
May I be flexible.

6. O Lord may I cooperate  
My life's not for my soul.  
Subdue those things I'd call my own,  
My life, O Lord, control.
