

(The Wise Men Continued)

4. They had heard of the Jews whose God was real!
They had heard that their God was the real deal!
The star in the west *to-ward Jerusalem
Certainly, the new king would be born to them!
These men, educated, wise, profound
Their mind was mature, their reasoning sound.
They were walking in a caravan.
'Til they entered in Jerusalem

5. They asked the Jews along with Herod too
Where is He who was born king of the Jews?
The chief priests and scribes they knew their scriptures well!
Bethlehem! Go find Him, come back and us tell.
As they left to go to Bethlehem
Then the star came nearer, clearer to them.
It led to the house, the child within,
They fell down and worshipped before Him.

6. They saw the young child nearly two years old
They gave Him gifts, Myrrh, frankincense and gold!
Gold since He was God and He was the God Man
Myrrh was for His death the sacrificial lamb.
Frankincense in resurrection sweet!
His outpouring to all men a great treat.
Herod and the Jews did persecute
The Gentiles proclaimed Christ substitute.
